

Rock-Pro Cure

Concrete curing compound

DESCRIPTION

ROCK-PRO CURE is a curing product based on water and paraffin, specially formulated to ensure optimal hydration of fresh concrete. It forms a temporary film that reduces the premature evaporation of water, thereby allowing uniform setting and hardening of the concrete.

ADVANTAGES

- ◆ Significant reduction in the risk of cracking due to plastic shrinkage
- ◆ Improved final mechanical strength
- ◆ Enhanced durability and water impermeability of the concrete
- ◆ Easy to apply
- ◆ Compatible with most subsequent coatings

APPLICATIONS

ROCK PRO CURE is ideal for :

- ◆ Industrial and commercial slabs
- ◆ Concrete screeds and floors
- ◆ Precast concrete
- ◆ Architectural concrete
- ◆ Civil engineering and infrastructure works

HOW TO USE

1- Preparation : Shake the product well before use.

2- Application: Apply evenly using a low-pressure sprayer or a roller onto fresh concrete after the bleed water has disappeared.

3- Drying: Allow to dry.

4- Removal: After 28 days, ROCK-PRO CURE can be removed by washing or mechanical abrasion before applying a coating.

PHYSICAL PROPERTIES

- ◆ Appearance : Liquid
- ◆ Color : White
- ◆ Density : ± 1
- ◆ Coverage : Between 8 and 14 m² per liter (1 coat)
- ◆ pH : Between 8 and 10
- ◆ Shelf Life : 6 months in its original, unopened packaging
- ◆ Storage : Protect from frost and extreme temperatures

PRECAUTIONS FOR USE

- ◆ Do not apply if rain is imminent.
- ◆ **Do not apply in cold weather (minimum temperature: 5°C).**
- ◆ Clean tools and equipment with water and soap.
- ◆ Although our products are water-based, any excess material must be collected or disposed of in accordance with local regulations. Do not pour into sewers or stormwater drains.
- ◆ In case of contact with eyes or skin, rinse thoroughly with water.
- ◆ Refer to the safety data sheet (SDS) for detailed recommendations.

WARRANTIES

We strive to maintain high standards, whether in the manufacturing of our products or in the information we provide about the products themselves or their use. We guarantee their good quality. We will replace or choose to refund the purchase price of any product proven to be defective. Satisfactory results depend not only on the quality of our products but also on many factors beyond our control. Therefore, except for the replacement or refund stated above, **CONVERGENT GROUP SA OFFERS NO WARRANTY, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND CONVERGENT GROUP SA SHALL ASSUME NO FURTHER LIABILITY IN THIS REGARD.** Any claim concerning a defective product must be submitted in writing within one (1) year from the date of shipment. No claims will be considered without written notice or beyond the specified time limit. The user shall determine whether the products are suitable for their intended use and shall assume all risks and liabilities in connection therewith. This information, as well as any other technical recommendations, is based on the current knowledge and experience of Convergent Group SA. However, **Convergent Group SA assumes no liability** regarding the provision of such information and recommendations, including to the extent that such information and recommendations may relate to the intellectual property rights of third parties, especially patent rights. **CONVERGENT GROUP SA DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. CONVERGENT GROUP SA SHALL NOT BE LIABLE FOR ANY INDIRECT OR CONSEQUENTIAL DAMAGES (INCLUDING LOSS OF PROFITS) OF ANY KIND.** Convergent Group SA reserves the right to make changes based on technological progress or any other advancements. It is the customer's responsibility and obligation to carefully inspect and test all goods received. The effectiveness of the products described in this document should be verified by tests conducted solely by qualified experts. It is the customer's sole responsibility to carry out and ensure such testing.
